EXPERIENCE

Rebet
Sr. Front End Engineer

Boston, MA, USA · Aug '25 - Present

- Led the migration of a legacy web application to Next.js, resulting in a 40% improvement in page load speed and a 25% increase in user engagement metrics.
- Facilitated cross-team code review workshops that boosted collaboration, resulting in a 15% increase in shared codebase contributions and a more cohesive development environment.
- Led a team of 5 front-end engineers to redesign the user interface, resulting in a 30% increase in user engagement and a 15% decrease in bounce rate within three months of launch.
- Developed and launched a new user interface feature that increased user engagement and resulted in over 10,000 daily active users.

The Bloc
Sr. Front End Web Developer

Jul '24 - Aug '25

- Led multiple high-impact projects in the pharma industry, resulting in a increase in user engagement and a reduction in load times by utilizing Next.js and modern front-end development practices.
- Facilitated cross-functional meetings with 4 teams, which boosted requirement clarity and brought about a 10% reduction in scope changes during project execution.
- Translate designs from Adobe Illustrator and Figma into high-quality, responsive, and accessible web interfaces in ReactJS and other FE technologies.
- Establish and enforce development best practices, coding standards, and scalable architecture across projects.
- Present and demo project progress and final deliverables to stakeholders, obtaining alignment and satisfaction.

Rauxa / FKA
Front End Web Developer

Nov '21 - Jul '24

- Led the development of HTML, CSS, and JavaScript front-end templates, securing responsive and user-friendly designs.
- Oversaw the creation of landing pages integrated with Adobe Marketo Engage, optimizing lead generation and campaign performance.
- Partnered with designers, design teams, and clients to translate vision into functional, visually appealing interfaces.
- Provided mentorship and technical guidance to junior developers, fostering skill growth and collaboration.
- Delivered presentations and live demos to audiences of 50+ stakeholders and team member, showcasing project milestones and results.

Genuine
Front End Web Developer

Jan '19 - Nov '21

- Delivered high-quality, ADA-compliant web interfaces employing HTML, CSS, and JavaScript, advancing accessibility for diverse audiences.
- Acted as Lead Front-End Developer for several major client projects, driving technical direction and team success.
- Contributed to custom front-end frameworks for seamless Drupal CMS integration, reducing development and content authoring time.
- Coordinated with cross-functional teams to meet weekly goals, securing on-time delivery of projects.
- Provided technical support and training to clients and team members, enhancing platform adoption and satisfaction.
